

By becoming a friend of Eilean Bàn you can help us ensure the success of the project and the continued stewardship of the island. As an adult member you will automatically receive seasonal newsletters which include wildlife reports from the warden and describe life on and around the island, a stylish Eilean Bàn Trust pin badge and a full colour photograph of Eilean Bàn. Junior members receive an Eilean Bàn Trust pin badge, a fantastic photograph of an otter, and receive an annual letter with additional activity pages and puzzles.

If you are planning a trip to Skye, members are offered a discount if they take a tour of Eilean Bàn (booked through the [Bright Water Visitor centre](#)). Please remember to bring your membership card with you to claim the discount.

Unfortunately we can not accept payment for membership electronically. Instead, please contact the trust to set up a direct debit.
