A very sincere **THANK YOU** to all who have contributed to

We are pleased to report [lightbase](#) has been completed refurbishment work to the 164 year old

The walkway is one of ~~Thomas Stevenson~~ ~~lighthouse~~ ~~design~~ ~~sculpture~~ Scotland and without these repairs

According to Professor Paxton of Herriot-Watt University, this is apparently the longest remaining example

The Trust would also very much appreciate hearing from anyone who might be prepared to join the fundraising steering group and help manage the financial campaign.

If you are able to help financially or with your time, please email us (see our [contact page](#) - please put 'Appeal' at the start of the subject line), or write to:
