

The Bright Water Visitor Centre was established to allow those that are unable to visit Eilean Bàn itself, a chance to learn about its cultural and natural history.

Unfortunately in 2021 we had to make the decision to close the centre. The trust administration is now run directly from Eilean Bàn.

Tours of Eilean Bàn take place Monday to Friday during the season.

Please contact us through our [Contact page](#) to arrange a tour.
